NAME

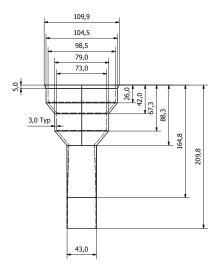

KA

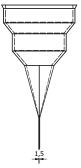

EPDM Rubber 45L/min -/240/0 Black 2008243269 General Cleaning 10 Years*

Features:

- Grate Seal can fold in on itself for easy, retrofit installations
- Unit is one piece and self cleansing
- No ridges or braces to obstruct or catch waste
- Air tight seal to prevent any odour from escaping
- No fixing required as the seal stays in place through friction
- No water seal required
- The EPDM rubber used is resistant to breaking down
- Is suitable for any standard drain sized 100mm or 80mm (cut to suit)
- Also available in other rubber materials (Contact Gentec for further information)
- Recommended for use in any environment

All measurements are in millimetres and are to be used as a guide only. *Subject to terms and conditions, available at www.gentecaustralia.com.au
