ABOUT MEIR

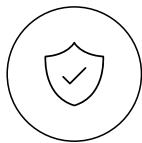

Meir is a multiple-award winning, Australian owned company. We supply to over 14 countries worldwide and offer a lifetime guarantee on all products.

Our commitment to quality and service means we maintain extremely high standards of engineering and manufacturing.

Each piece is carefully crafted from concept to production using DZR brass and selecting only the highest quality European parts and components.

Since 2012, Meir has become a trusted and highly reputable name in manufacturing premium bathroom and kitchen products. Our range includes showers, tapware, sinks accessories and more.

MEIR'S SIGNATURE FINISHES

Our ultra-premium range of fixtures and fittings are available in seven luxurious colours, crafted using an exclusive combination of superior materials.

Find the perfect finish to bring your vision to life - be it a bathroom, kitchen, laundry, powder room or outdoor.

INTRODUCING THE NEW MEIR X DARREN PALMER RANGE IN LUSTRE BRONZE

DARREN
PALMER

“It’s a range that epitomises elegance, innovation, and timeless luxury, and is something I’m incredibly proud of.”

- Darren Palmer

CHAMPAGNE

The effervescence of rose-gold brings a new luxury to brass. A finish that's fluid and versatile - perfect for pairing with pale timber, earthy tiling and an abundance of natural light.

TIGER BRONZE

A nuanced finish created from a brushed black undercoating adorned in gold. Use precious metal motifs to give both modern and classic colour schemes the Midas touch.

BRUSHED NICKEL

This chameleon finish is exceptional in a range of settings, but out-shines itself alongside oak and earthy palettes. It creates a striking aesthetic in both commercial and home settings.

SHADOW

Crafted with depth that perfectly pairs with stone, timber, natural elements, and concrete. This unique finish add intensity while remaining familiar.

MATTE BLACK

Subtle and timeless, our Matte Black finish exudes sleek structure and elegance, subtly accentuating natural textures like marble and timber.

POLISHED CHROME

A favourite in both modern and classic homes, this finish delivers form and function with an understated style perfect for contemporary styling.

COLOUR AND FINISH VARIATIONS

We use the highest quality materials in all our finishes, however products can vary in colour and shade. The luminous finish of metals provide a luxurious look, reflecting the lights and colours of the space.

Variations can be due to:

Comparison with sample discs and other flat surfaces.

Lighting and colour reflections in the installation location.

Different shapes from product to product.

COLOUR AND FINISH VARIATIONS

We use the highest quality materials in all our finishes, however products can vary in colour and shade. The luminous finish of metals provide a luxurious look, reflecting the lights and colours of the space.

Variations can be due to:

Comparison with sample discs and other flat surfaces.

Lighting and colour reflections in the installation location.

Different shapes from product to product.

Beautiful tapware, for life.

Our commitment to quality means every product comes with a Lifetime Guarantee. We've combined the world's best components and materials with handcrafted engineering to bring you products that can be enjoyed, for life.

COLOUR AND FINISH VARIATIONS

We use the highest quality materials in all our finishes, however products can vary in colour and shade. The luminous finish of metals provide a luxurious look, reflecting the lights and colours of the space.

Variations can be due to:

 Comparison with sample discs and other flat surfaces.

 Lighting and colour reflections in the installation location.

 Different shapes from product to product.

A sink that's as good as it looks

The award-winning Lavello kitchen sink range from Meir uses an industry-leading nanotechnology coating to create the highest quality finish.

Nanotechnology coating is 4x more durable than standard PVD

Premium stainless steel with sound pads for excellent sound absorption

Hand-crafted for a perfectly smooth surface that prevents build-up

Three colour finishes, with matching mixer taps and sink accessories

lavello
by meir.

COLOUR AND FINISH VARIATIONS

We use the highest quality materials in all our finishes, however products can vary in colour and shade. The luminous finish of metals provide a luxurious look, reflecting the lights and colours of the space.

Variations can be due to:

Comparison with sample discs and other flat surfaces.

Lighting and colour reflections in the installation location.

Different shapes from product to product.

LAVELLO KITCHEN SINKS

Our Lavello kitchen sinks are coated using nanotechnology, making them 4x more durable than standard PVD.

Premium stainless steel with sound pads for excellent sound absorption

Hand-crafted for a perfectly smooth surface that prevents build-up

Three colour finishes, with matching mixer taps and sink accessories

Kitchen Sink - One and Half Bowl 670 x 440
