

Tripla™ Elite Series

*Three-Way Mixer Tap Made From
100% Stainless Steel*

*Chic and high-quality on-trend taps combined
with a state-of-the-art filtration system*

The Tripla Elite is a 3-way mixer tap which separates filtered water from the hot and cold water line, ensuring clean drinking water while not impacting the flow rate. When combined with a Puretec Ultra Z water filter it will provide chlorine and sediment free water straight to your stylish kitchen.

This contemporary tapware comes in a range of colours and finishes to fit any stylish kitchen design. It is made of stainless steel which guarantees high quality and durability, supported by a 15-year warranty*.

The Tripla Elite taps should be combined with a Puretec Ultra Z water filter to provide you with pure, refreshing drinking water on tap 24/7. For mains water applications the Z1-MW-K filter kit is recommended, while the Z1-RW-K is recommended for rainwater applications. Talk to our customer service team for any other filtration needs.

Mixer tap only, filter system not included. Minimum pressure 50 kPa. Not suitable for unequal pressure. Required hole for the tap: 33mm diameter. All pictures and information are supplied as a guide only, the product may have degrees of colour variations. On high pressure areas where the pressure exceeds the recommended working pressure, a pressure limiting valve must be installed or warranty is voided. ^Residential 15 Year Warranty: Tap warranty is 2 years parts and labour, plus 13 years parts only. Finish warranty is 2 years. Flexible mixer tails are 5 Years warranty. Commercial 2 Year Warranty: Tap warranty is 2 year parts and labour. Finish warranty is 1 year. Refer to the user guide for full details of the warranties.
