In addition to any use that may be outlined in the Promoter's Privacy Policy, the Promoter may, for an indefinite period, unless otherwise advised, use the PI for promotional, marketing, publicity, research and profiling purposes, including sending electronic messages or telephoning the Eligible Business. The Privacy Policy also contains information about how Eligible Businesses may opt out, access, update or correct their PI, how they may complain about a breach of the Australian Privacy Principles or any other applicable law and how those complaints will be dealt with. All entries become the property of the Promoter. The Promoter may disclose PI to entities outside of Australia (see Privacy Policy for details).
